## **Notice of Road Closures**

### ***Portions of Wallace Street and Jefferson Avenue Affected***

**SEGUIN, Texas** – The City of Seguin wants to alert residents to two road closures that will occur in May.

A portion of Wallace Street directly south of Court Street will be reduced to one lane during varying parts of the day and reopened at night. The majority of Wallace Street between Court Street and Jefferson Avenue will be closed entirely to thru traffic. This construction begins the week of May 5 and will last approximately five days.

Starting the week of May 12, Jefferson Street between Wallace Street and Moore Street will be reduced to one lane during varying parts of the day and reopened at night. This construction is expected to last 7-10 days.

The construction is necessary for the construction of the new Bluebonnet Trails Community Services building.

### **About the City of Seguin**

Seguin, Texas is located off on Interstate 10, about 35 miles east of San Antonio. Seguin is big enough to boast a top-rated university and a state-of-the-art hospital. More than 25,000 residents enjoy a range of cultural, recreational, and employment opportunities. Seguin's robust diversified economy features a steelmaker, a manufacturer of automotive parts and plants making roadside mowing equipment and building materials. In 2009, Seguin was proud to be selected by Caterpillar as the site of a major new engine manufacturing facility.
